Good Morning all,

Attached are the final SOPs and a letter for signature by the Tri-Chairs. Also, attached is a fact sheet template and a couple of sample fact sheets, which are in draft. We'd like to have these complete for PSM and CFATs by the end of the month.

Several of us at EPA will have limited access to email and phone due to deployment to Durango. I can be reached by cell at 240-381-7765 and will check my EPA email as I am able.

Best,

Rebecca Broussard

Environmental Protection Specialist
